

JACK KNIFE & *The Sharps*

JACK KNIFE & THE SHARPS are a band whose name precedes them wherever they go, whether it's at home or on the road. It makes perfect sense, because when **JACK KNIFE & THE SHARPS** hit the stage, they can be counted on to rock the house with their infectious rockabilly sound. Their self-titled release on Outta Control Records propelled their unique blend of musical styles into the streets, and helped to add to their already growing legion of fans. The band's latest release, "Ace Cafe," features another batch of retro-influenced rockabilly songs. This thirteen-song collection is a nice mix of several new originals and interpretations of standard classics, all done with a well-honed edge and **JACK KNIFE & THE SHARP**'s uncluttered style. **JACK KNIFE & THE SHARPS**' live shows are legendary, hard rocking and ready to roll. They draw from frontman Rick Hollister's everready stock of originals and the band's super-

powered blend of rockabilly, blues, country, and surf sounds. Complementing Hollister's vintage guitar sounds, drummer Kevin Wheelock and bassman Jack Erickson join in with a solid back beat. **JACK KNIFE & THE SHARPS** have an emotionally powerful and energetic style that always grabs the most out of the music they play. The souped-up sounds of **JACK KNIFE & THE SHARPS** will keep even the heartiest of fans ready to roll as they sail under the nighttime sky aboard the Vista Star.
